

KOSMOS launched

Jaypee Greens has introduced a new residential project Kosmos at Sector 134 in Noida along Greater Noida Expressway. This gated community will comprise over 3000 apartments in the 2 BHK, 3 BHK and 3 BHK plus utility room apartments categories. Situated on the outskirts of New Delhi with

just 10 minutes driving distance from South Delhi, this housing project is part of India's First Wadhwa Town spread over 1162 acres. The apartments will be delivered in three years time. "Jaypee Greens KOSMOS has been created for people who aspire to live in a home which is a part of a planned and efficiently designed gated community that offers all modern facilities," Director Jaypee Group, Rita V. Dixit said.
